**House Bill 1403 from 2001 State Legislative Session /Senate Bill 1528 from 2005 State Legislative Session:** Certain categories of foreign-born and immigrant students in the State of Texas can meet state requirements for residency under Texas Education Code, Chapter 54, Section 54.052(a)(3). This state law allows such students to pay the resident tuition rate while attending public institutions of higher education in Texas, and be classified as state residents for tuition purposes. As Texas residents, such students are eligible to apply for some student financial aid programs offered by the State of Texas.

Please note: For a student to qualify for **state** student financial aid, the college or university must first make the determination on the student's residency status. Also, keep in mind that the state's definition of residency does not make a student eligible for **federal** financial aid.
